Hey Mike,

Boo,

if it wasn't for you this year I probably would have failed Civics. It sure has been fun having you in the city, the paper fight and all. I thought we were all going to fail that paper fight.

Remember our ride back to get our tickets to go to the Jr.-Sr. basketball game. We had got that motor scooter with its lights off. Be good and good luck with physics next year. See you then.

"Come back to see me . . ."

These familiar words are heard by all N.C. Seniors as they turn in those caps and gowns after graduation—words spoken in all sincerity by our 1965 Rebel dedicatee, MRS. AUDREY JONES. And they do! Each fall, Room A105 echoes with remembrances of past years as North Caddo graduates return to renew their acquaintance with "a favorite."

Going to movies, wearing orange, green, brown, or yellow, faithfully attending worship services at her church, expounding American History six periods a day, asking questions about "her ex-students", and teaching their children, as well as teaching *with* some of her ex-students are all integral parts of the personality that we know as the lady on the "little stool."

To you,

MRS. JONES

North Caddo Graduates Edweda Rougeau, Julia Nance, Clarice White, Ann Saulsbury and Linda Camp show mixed emotions as they line up to enter the auditorium to receive their diplomas and take their places in the world for which North Caddo has prepared them.

Senior choir members sing, "Let There Be Peace on Earth" at Baccalaureate services for the 1964 N. C. graduates.

The full meaning of graduation is depicted on the faces of Edweda Rougeau, Cathy Gill Williams, Julia Claire Nance, Glenda Ferguson, Faye Young Alexander, and Clarice White, 1964 North Caddo graduates.

Student Government Develops Leadership

Cynthia Simmons and Doug Pearson conducted successful campaigns for the Student Council offices of Secretary and President, respectively.

Charlotte Gascon campaigns for the office of Student Council Reporter.

Competition was high for the office of Reporter. Diane Ferguson and her campaign manager, Ann Halford, put up a sign on Diane's behalf for the forthcoming election.

Terry Beck performs his Assembly Manager duties well as he watches the action at a N.C. pep rally from the side wings of the auditorium.

COUNSELOR

In her position as Assistant Principal of North Caddo, Mrs. Norvie Burr has numerous responsibilities which she successfully carries out. Her personal interest in the students at North Caddo is magnified by her willingness to be a Student Council sponsor.

Mr. James Allison, as school counselor, helps us as students to make decisions and better understand ourselves. He encourages each of us to engage in lifelong planning and counsels us on how to do it. All of us truly appreciate what Mr. Allison does for us.

TO YOU, MRS. ELLEN BURR, WE SAY:

Thank you for all your patience as our sponsor and for getting us "graduated." We appreciate all your efforts and time spent in seeing that our caps and gowns were ordered and we *really* didn't mean to "lose" our honor card and our collar. For all the other "little" things you did toward supporting us we also want to say thanks. We especially want to thank you for the time you spent with us as freshmen preparing us for all our following years in English. When we return to N.C. in the years to come, we will always remember Room 106 and you, Mrs. Ellen Burr.

In Memoriam

DAVID WILLIAMS

David had a quiet, unobtrusive way about him. Though he seemed serious, he always had a ready smile and a twinkle in his eye. A true sportsman, he found deep satisfaction in the great outdoors and contentment in the simple things of life.

David possessed the talent of making friends easily and the rare quality for keeping those friends. He will be long remembered by his many friends at North Caddo.

Mr. Rebel

LANCE
ALEXANDER

To me, the title of Mr. Rebel is a symbol of friendship, a God-given treasure that is to be kept in the heart. I hope that as our year continues, I may be at least half the friend to the students of North Caddo that they have been to me.

These words by Lance reveal the Christian character that is so evident in his everyday actions. It is this character that makes Lance a friend to us with whom he comes in contact.

Miss Rebel

CHERRY
McDONALD

"I consider myself a very fortunate girl having been elected Miss Rebel of NCIS." These words, spoken by our Miss Rebel, are typical of her character and personality. Cherry has been very active at NC during her four years here. Some of her most outstanding awards are Miss North Carolina, Homecoming Queen, Class Favorite and Cheerleader.

Leadership

Each year North Caddo sends representatives to Leadership Conference for the purpose of gaining valuable information about the fields they represent. The Conference is sponsored by L.S.U. and is held on their campus. The students who attend are chosen by the sponsors of the organizations which send them. Sending delegates to this conference enables the Rebel, Southern Accent, and Library Club to be a better service to North Caddo.

FRONT ROW Coach Billy Wiggins- Captain Lance Alexander. BACK ROW: Robert Horn, Pete Schuler, Jerry Carlisle, Mike Durham, Johnny Ray Alexander, Mike Armstrong, and John Hall

Precedence was set on the night of Feb. 23, 1965, when the N.C. Rebels defeated the Jesuit Blue Flyers to win the school's first district basketball championship. Eight Rebels under the tutelage of Coach Billy Wiggins fashioned a 19-11 record to gain the coveted trophy and a berth in the regional state playoffs.

There can be no doubt that this was North Caddo's finest basketball season, and these eight Rebel basketball players have set a fine example for future Rebel basketball teams to strive to duplicate. Congratulations are in order for eight fine Rebs: MIKE DURHAM, JOHNNY RAY ALEXANDER, LANCE ALEXANDER, PETE SCHULER, JERRY CARLISLE, MIKE ARMSTRONG, JOHN HALL, AND ROBERT HORN.

DISTRICT CHAMP MANAGERS
Charles Martin, Wayne Pinchard, Tommy Lacy

LANCE ALEXANDER
Senior

Lance Alexander, a 6ft. 1" Senior, was the quarterback of the N.C. Rebels this year. Lance carved a fine 10.3 point average over the full season's work and was not to be denied when it came to ball-handling and dribbling on the court. Through the season he came to be known to his teammates and fellow students as Sir Lancelot. Lance was selected by the District coaches as a member of the All-District 2nd team.

MIKE ARMSTRONG
Senior

Probably the finest "#6 man" in the entire district, and on occasion a starter, was 6'1" Mike Armstrong, known to his teammates as a fine rebounder and clutch shooter. Undoubtedly his finest game of the year was the second Minden game in which he came off the bench to score 14 points and grab 10 rebounds to spark the Rebels to a hard-fought victory.

JOHNNY RAY ALEXANDER
Senior

"Johnny Reb" Ray Alexander led the Rebs in the district contests with a 11.5 norm and some tremendous rebounding. This all-district Senior was the only returning starter from the previous season. Johnny Ray was again a member of the All-District 1-AA team, receiving this honor two consecutive years.

A 5'11" Senior, John Hall, was not a frequent starter for the Rebels, but he was a valuable player and sparked the Rebs with some fine clutch play. John was especially noted for his ability to drive for the basket and score the "clutch basket". It was John who pulled the game with Woodlawn out for the Rebs when he hit four free throws with less than a minute to play. He received honorable mention on the All-District team.

JOHN HALL
Senior

ROBERT HORN
Senior

Another member of the "ELITE EIGHT" was Senior Robert Horn, 5'10", a fine marksman. Although Robert did not see full-time duty, he always came through with a fine effort whenever he was called upon. His sincere desire and attitude will be missed next year.

PETE SCHULER
Junior

"Pistol-Pete" Schuler, a 5'11" Junior, showed marked improvement over the season and possessed a 10.0 point average through the championship contest. "Pistol-Pete" chipped in with some fine defense and clutch shooting to spark the Rebs on numerous occasions.

Leading scorer and rebounder over the entire season for the District 1-AA Champs was a long-armed junior, Mike Durham, who had a 12.0 points per game and 11.2 rebounds. His favorite shot was from the corner of the court and was seldom missed. Rebel fans will look forward to seeing Mike on the court again next year . . . and watching this All-District 2nd teamer exhibit some fine shooting

MIKE DURHAM
Junior

Jerry Carlisle, 5'11", is a defensive minded junior who, on many occasions, drew the opposing team's most feared offensive player. Carlisle's finest game was the championship game against Jesuit, which saw him turn in a tremendous defensive performance against the tough Blue Flyers

The North Caddo Key Club is a service organization to our school and our communities. Listed among some of the services to the school are: the distribution of the CANNONS, a school directory, helping to keep order in the lunch line and in the halls during OP's, and serving as ushers at all home football games. At Christmas, the Key Club renders a service to the community by sponsoring a Miss Christmas pageant and charging canned goods as the admission to prepare baskets for the needy.

STAGE MANAGERS
 Chuck Goodwin, Doug Pearson, Dave Price, John Juhn

Each year at N.C. the stage managers are depended upon for the "unseen" part of each play, talent show, or beauty pageant. These are the people that help to get the stage ready and then are there the night of the production to pull the curtain, control the lights, handle the spot, move the piano on and off the stage, and tend to any other of the many necessary "behind the scene" duties.

TRANSPORTATION
 W. F. Hartline, Butch Thomas, W. A. Layton, Odell Miles

These men are the ones who are partly responsible for your arrival at N.C. at 8:00 each school day morning. They keep our buses in good traveling condition and make sure that the drivers can come to your door and bring you to N.C.
